

MOHAMMAD RATEB ASHOUR

CONSTRUCTION CLAIMS & FIDIC EXPERT | ELECTRICAL BACKGROUND, 15 YEARS OF EXPERIENCE IN GCC

(PMP) MASTER'S FROM AMERICAN UNIVERSITY FOR HUMAN SCIENCE

SCHEDULE EXPERT/DEPARTMENT OF EXPERT, MINISTRY OF JUSTICE/SULTANATE OF OMAN,

Profile

I am a Construction Claims and FIDIC Contracts Specialist with over 15 years of experience, including 9 years as a dispute's expert and commercial arbitrator in GCC projects.

I specialize in:

- Delay Analysis & Extension of Time (EOT) Claims
- Contractual Disputes Resolution
- FIDIC Contract Interpretation
- Arbitration Support & Claims Preparation
- Risk Analysis for Construction Contracts

With a strong electrical engineering background, I bring both technical and contractual expertise to complex construction disputes.

I help contractors, consultants, and project owners resolve disputes efficiently and protect their contractual rights.
